Important Information About Procedures for Opening a New Account: To help the government fight financial crime, Federal law requires certain financial institutions to obtain, verify and record information that identifies each person who opens an account, including major beneficial owners of legal entity customers.

What this means to you: When you open an account, we will ask for your name, the account name, address, date of birth, social security or tax identification numbers, and other information that will allow us to identify you and the beneficial owners of entity for which the account is established, if applicable. Additional documentation will be required for the establishment of trust, corporate, or other types of account ownership, including, but not limited to: appropriate documentation to substantiate the existence of the organization, authorized parties, major beneficial owners and other control persons. We may determine that we are unable to verify the information or personal information provided and may choose to refuse the account until we can verify the information provided.

Who must complete this form: This form must be completed by the person opening a new mutual fund account on behalf of a legal entity.

For the purposes of this form, a legal entity includes a corporation, limited liability company, or other entity that is created by filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in the United States. Legal Entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

Required Information: This form requires you to provide the name, address, date of birth and Social Security number for the following individuals (i.e. beneficial owners):

- * Each individual, if any, who owns, directly or indirectly, 25% or more of the equity interests of the legal entity customer; and
- * An individual with significant responsibility for managing the legal entity customer (e.g., a Chief Executive Officer, Chief Financial Officer, Chief Operating Officer, President, Vice President or Treasurer); and
- * The Trustee or Authorized person completing this form.

The number of individuals that satisfy this definition of "beneficial owner" may vary. At least one individual must be identified under Section 2, below as a beneficial owner. Depending on the factual circumstances, up to four individuals (but as few as zero) may need to be identified in Section 2, below as individuals owning 25% or more equity interest.
